FATHER'S DAY FROMAGE! FRIDAY, JUNE 19, 2020, 6:30pm

Please join the Bailliage of Greater Washington as we explore a specially curated selection of French cheeses from Murray's Cheese in New York paired with two bottles of wine selected by our own Vice Échanson Ellen Kirsh from the catalog of Wine.com. This private on-line class will be hosted by Michaela Weitzer, who was one of Murray's most experienced cheese mongers at Murray's Cheesebar, creating special cheese flights based on customers' libations, before becoming Assistant Manager of Education and now of Events, creating private events for Murray's full-time.

Four French cheeses (enough to serve 2 to 4) with some nibbles, and two bottles of wine will be shipped directly to your specified address in time for the virtual class.

Registration is a two-step process: First, go to LaChaineDC.com to register for the event and pay for the wine. The bailliage will forward your payment and shipping information to wine.com. Upon registration, you will receive an email with a link to a special page on Murray's website for this event where you can pay for the cheese and provide your shipping information directly to Murray's.

Details on the Zoom session will be emailed to registered attendees before the event.
