An Exploration of REGIONAL CHEESES OF SPAIN

**FRIDAY MARCH 19, 2021
7:00 p.m.**

You are invited to join the Bailliage of Greater Washington as we travel to Spain in this virtual class. We will explore and learn about a selection of Spanish regional cheeses curated especially for us by Murray's Cheese in New York. They will be accompanied by several exciting accoutrements imported from Spain, along with a bottle of wine selected from the DC Chaîne's wine cellar. This private virtual class will be taught by Michaela Weitzer who has been leading wine and cheese classes for Murray's for several years, and who taught our delicious class on French cheese last June. This is a geography-free event, so even if you live outside of the DC Metro area, please feel free to contact us to register!

The wine and cheese will be shipped directly to your home in time for the class. You will receive four cheeses, one bottle of wine, along with four other products imported from Spain to pair with the wine and cheese. If you would like to register, please login to <https://laChaineDC.com>. All registrants will receive a Zoom link shortly before the event.

Limited Availability, RSVP before noon on Monday, March 9th.
