## Explore the Wines of Italy with the Société Mondiale du Vin

*You are invited to join the Washington, D.C. Bailliage for our first Mondiale event of 2023 – an exploration of the wines of Italy. Here’s how works:*

*Each attendee brings a bottle of wine from Italy – red, white, rosé, still, sparkling – it’s your choice. We’ll put the wines into unmarked bags and then everyone will taste each wine and make notes on their impressions, such as nose, palate, and overall quality. Lupo Verde will provide light food (appetizer, entrée, and dessert served family style) to accompany our oenological discoveries.*

*After the tastings, we’ll vote on our favorites, and finally reveal each wine. Each participant may have the opportunity to briefly share information about the wine they brought and why they chose it, such as the producer, year, grape variety, and price point, as well as what distinguishes their wine– an interesting winemaker or history of the winery, notable locale, or terroir, or perhaps how you discovered it. Certified Sommelier Chevalier Mark Mancher will guide our discussion.*

*It promises to be a delicious, fun, and educational afternoon with fellow fans of Italian wines!*

**Registration deadline is March 29, 2023, or until sold out**
